Spices, Honey & Ghee

SPICES

Green Cardamom

THE QUEEN OF SPICES

- Rich in aromatic compounds such as 1,8-cineole that give its signature fragrance
- Studied for antioxidant and digestive-support properties
- Traditionally chewed after meals to aid digestion and freshen breath

SPICES

Black Pepper

THE KING OF SPICES

- Its piperine gives pepper its heat and has antioxidant properties
- Helps the body absorb nutrients such as curcumin from turmeric
- A flavourful way to cut down on salt

SPICES

Nutmeg & Mace

WARM, SWEET AND AROMATIC

- Seeds rich in plant compounds that act as antioxidants
- Mace traditionally used to support digestion and oral care
- Best enjoyed in small culinary amounts

SPICES

Turmeric Powder

GOLDEN GOODNESS

- Contains curcumin, studied for anti-inflammatory and antioxidant activity
- Pair with black pepper and healthy fats for better absorption
- A staple of Indian kitchens and traditional wellness

HONEY & GHEE

Raw Forest Honey

WILD, PURE, UNPROCESSED

- Natural source of antioxidants such as phenolic acids and flavonoids
- Known for natural antibacterial properties
- Traditionally used to soothe the throat and coughs

HONEY & GHEE

Desi Ghee

TRADITIONAL AND NOURISHING

- Contains fat-soluble vitamins A, D, E and K in small amounts
- Contains butyrate, a fatty acid linked to gut health
- Very low in lactose and stable for high-heat cooking

Squashes, Oils & Grains

SQUASHES & JAMS

Kokum Squash

COASTAL KARNATAKA'S COOLING DRINK

- Kokum contains garcinol, hydroxycitric acid (HCA) and anthocyanins
- Studied for antioxidant and anti-inflammatory properties
- Traditionally enjoyed as a cooling summer drink that aids digestion

SQUASHES & JAMS

Amla Squash

TANGY INDIAN GOOSEBERRY

- Amla is one of the richest natural sources of vitamin C
- Packed with polyphenols with antioxidant activity
- Valued in Ayurveda for immunity, digestion and skin

SQUASHES & JAMS

Pineapple Jam

SMALL-BATCH, HOMEMADE

- Made from pineapple, a fruit naturally rich in vitamin C and manganese
- Pineapple contains bromelain, a protein-digesting enzyme
- A bright, fruity spread for breakfast and desserts

OILS & GRAINS

Extra Virgin Coconut Oil

COLD-PRESSED AND PURE

- Rich in lauric acid, a medium-chain fatty acid
- Virgin oil retains more vitamin E and polyphenols than regular copra oil
- Versatile for cooking, skin and hair care

OILS & GRAINS

Organic Jaggery

UNREFINED, TRADITIONAL SWEETNESS

- Retains minerals such as iron, potassium, calcium and magnesium
- A less-processed alternative to refined white sugar
- Still a sugar, so best enjoyed in moderation

OILS & GRAINS

Millets & Ragi

WHOLESOME ANCIENT GRAINS

- Ragi is among the richest plant sources of calcium
- High in dietary fibre for digestion and lasting fullness
- Naturally gluten-free and nutrient-dense

OUR PRODUCTS · HEALTH & GOODNESS

Natural Care, Snacks & Crafts

NATURAL CARE

Kokum Butter

NATURAL SKIN NOURISHMENT

- Rich in stearic and oleic fatty acids
- Melts at body temperature for easy, non-greasy moisturising
- Used for dry skin, lips, heels and hair

SNACKS

Jackfruit Chips

CRISPY MALNAD SNACK

- Made from jackfruit, a source of fibre, potassium and vitamin C
- Jackfruit also provides B vitamins and magnesium
- A traditional snack from village kitchens

SNACKS

Jackfruit Papad

SUN-DRIED VILLAGE TRADITION

- Made from fibre-rich jackfruit pulp
- Sun-dried the traditional way in Malnad homes
- Roast or fry for an authentic, crunchy side

ECO CRAFTS

Areca Leaf Crafts

ECO-FRIENDLY, HANDMADE

- Made from naturally fallen areca palm leaves, heat-pressed without chemicals
- 100% biodegradable and compostable
- A plastic-free choice that creates rural livelihoods

ABOUT CONNECTFARMER

Real food from real farmers, without middlemen.

Since 2012, ConnectFarmer has connected small farmers, forest communities and rural producers of the Western Ghats directly with buyers across India. Farmers set their own prices, and every purchase helps rural families build livelihoods without leaving their villages.
